### For Supreme Court Justices.

Friends report that from all  
portions of the state comes the an-  
nouncement that Whitfield and  
Parkhill is the winning ticket for  
justices of the supreme court. James  
B. Whitfield and Charles B. Parkhill  
are both worthy young Floridians.  
They have done their duty well on the  
supreme court bench and the thinking  
voters of Florida do not see why there  
should be a change, therefore it is the  
honest conviction of the friends of  
these young men that they will be  
nominated by a flattering majority  
in the primary election May 15. How-  
ever, they are not permitting overcon-  
fidence to make them careless, and they  
urge all their friends at every voting  
precinct in the state to work in their  
behalf until the polls close on the  
evening of May 15.

Judge Cochran is thus far the  
only candidate for representative  
who has declared himself in favor  
of temperance legislation. As such a  
candidate the temperance people of  
DeSoto will feel morally bound to  
support him. Mr. Cochran, is pledged  
to work, if elected, for a constitutional  
amendment which will provide for  
submitting the subject of for prohibi-  
tion or against it to the people of  
the entire state at a general  
election. This is a plan dear to the  
hearts of temperance people of  
Florida and DeSoto being a "dry"  
county owes it to her reputation to  
send to the legislature a man who  
is openly and avowedly temper-  
ance.
